**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

Yes, we are facing this additional increase via this Utility Company and we totally object to this increase as we just had one in 2010 with NO significant improvement.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

We have lived in four different states in my lifetime and nowhere except here have I had an issue with clean commodes. We have four of them in our home, 2 of which are only used when guests visit, however they ALL need cleaned every 3-4 days because of the disgusting residue buildup that forms. Already cannot believe how much our water bill is! Only my husband & I reside in this home. We don't have the typical grass lawn so no daily watering required. We have a flower garden and plants that I water 3-4 times a week. Laundry, typically 7 loads every 10 days and our last months bill was 100.10, w/a usage of 346 gallons a day, something is seriously wrong and so do we desire to pay an additional 65.00 a month for what we're already overcharged for? NOT HARDLY!

If this increase goes through it will be an atrocity for those of us who use this service, totally unsubstantiated considering the last rate hike had NO obvious improvement!!!!!!!!!!!!

Again... no significant improvement with the rate hike in 2010 and now facing another? UNACCEPTABLE!!!!!!!!!!!!

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

I would be happy to make an appearance at the hearing and offer sworn testimony. Please don't hesitate to contact me for scheduling.
